## We have a place for You!

We love to see the faces of people who desire to know God and study His word. We take seriously the Great Commission that we are to seek the lost and disciple the saved.

It does not matter if you are a senior adult or a student, we have a place where you will feel welcomed and excited to learn about Jesus Christ.

### Our Sunday School classes provide:

- Encouragement to live daily lives
- Challenge to grow in the spiritual world
- Opportunities to share and develop friendships
- Life application to Scripture
- Prayer concerns

We also provide child care during our classes and worship.
